Loud music and ear ringing? [2]

Dear Alice,

I went to a club one night and the music was really loud. I've been going to clubs for a while now and the loud music usually makes my ears ring, but the ringing usually disappears in the morning. Well, this time, the ringing has lasted for several days. Is this a problem I should be worried about?

Ringworm [3]

Dear Alice,

I have obtained ringworm from my kitten! What is the best treatment for me to get rid of it and stop the itching?

If he likes me, why won't he call? [5]

Dear Alice,

I met this guy I like about a month ago and I think that he really likes me. He has a very busy schedule with school, homework, and sports, but when he says he will call me, he usually doesn't. If he really likes me, why won't he call when he says he will? Also, how can I tell if he likes me for me and not just my looks?

Can't find a condom with an elastic ring that fits me! [6]

Dear Alice,

I am finding that the thin ring of the unrolled condom cuts into the base of my penis, especially the urethra tube. I am just below average length, but over 7.5 inches in circumference at the base. All sizes of condoms have the same effect. Please suggest something please.
