Male breast cancer [4]

(1) Dear Alice,

Are there any differences in breast cancer between men and women?

? Gender sensitive

(2) Dear Alice,

I feel that I might have male breast cancer. But I don't know how this is possible. I am young, younger than 18. And I would like to know how male breast cancer is contracted. Plus if I do, I'm afraid of telling my parents. What should I do?
